Location Map

By Car - The hospital is easily accessible from the A27 bypass at the Falmer turning or from the coastal road A259, turning in-land from Rottingdean. There is an efficient road network from mid-Sussex, areas east and west of Brighton as well as from central Brighton and Hove. This means that travel times from towns in-land and on the coast usually average from under ten minutes to about twenty minutes maximum.

Parking - There are over 120 parking spaces at the hospital.

By Bus - The bus service (2 and 2A) from Shoreham via Hove can be picked up at Blachington Road, Hove or Hove Town Hall. They run every twenty minutes and continue through Brighton (Churchill Square), via St James Street and Eastern Road to Woodingdean. An alternative service (22) which also leaves from Churchill Square, goes via the open market of Ditchling Road, along Elm Grove to Woodingdean. Alternatively, service 52A operates via Brighton train station, Eastern Road, Brighton Marina and Ovingdean. It stops at the Downs Hotel, Woodingdean, which is two minutes walk from the hospital.

For more details of the bus service from Brighton and Hove, telephone the Brighton and Hove Bus and Coach Company (01273 886200) 9.00am - 5.30pm Monday to Friday.
